

NUOVA RECINZIONE "tipo 1"

RECINZIONE ESISTENTE "tipo 3"

The drawing shows a perspective view of a fence. It consists of a thick, light-colored concrete base. On top of the base is a metal railing system. The railing is made of vertical bars connected by horizontal rails at the top and bottom. The bars are evenly spaced. The drawing is a line drawing with some shading to indicate the three-dimensional nature of the fence.

RECINZIONE ESISTENTE "tipo 4"

A 3D perspective rendering of a grey metal fence with vertical bars and a concrete base, labeled 'RECINZIONE ESISTENTE "tipo 4"'. The fence consists of a series of vertical bars connected by horizontal rails, mounted on a thick, light grey concrete base. A gate is visible on the right side of the fence. The background is a plain white surface.[illegible]

Technical drawing of a wall section showing insulation and reinforcement details. The drawing includes the following labels and dimensions:

- TUBOLARE**
40X40 mm
- TUBOLARE**
40X20 mm
- TONDINO**
 $\phi = 12$ mm

The drawing shows a cross-section of a wall with vertical reinforcement bars (Tondino) and horizontal insulation layers (Tubolare). A detail view at the bottom right shows a cross-section of a concrete slab with a grid of reinforcement bars (Tondino) and a layer of insulation (Tubolare).
